

Apple's online store goes dark before pre-order for iPhone 17 begins

By Amit Kumar

Apple's online store is temporarily down before iPhone 17 series pre-orders begin on Friday at 5:30 PM IST. The iPhone 17 lineup includes iPhone Air, iPhone 17, Pro, and Pro Max models, featuring a new camera design, 120Hz refresh rate, and Ceramic back. Pre-orders can be placed via Apple India Store, Flipkart. How to pre-order iPhone 17 series? Interested people can pre-book their choice of iPhone 17 phone via Apple India Store in addition to Flipkart, Amazon India, and Reliance Digital. These platforms also offer bank deals, cashbacks and exchange offers. Apart from Amazon, other e-commerce sites, including Flipkart, Reliance Digital, Croma, and Vijay Sales, have all listed the phone as coming soon.
